There seems  
to be some  
discrepancies  
between the  
Charlotte  
Club and  
Alumni  
Association  
email lists.

We'll address  
this in short  
order on the  
Club website  
- More info  
to follow!

**H**ave you attended any of our exciting events recently?

Of course there is a big one next Thursday the 13<sup>th</sup>, the Annual Spring Coach's Dinner – this year with Chan Gailey.

You should have already received an email invitation from the Alumni Association. On the chance you overlooked it here is another reminder. The details may be found at: [www.charlottegtclub.org](http://www.charlottegtclub.org) or by clicking [here!](#)

✓ Considering this reminder is sent on April the 5<sup>th</sup>, there is slack on the April 6<sup>th</sup> reservation date. We will take them up to the 12<sup>th</sup>, the day before the event. Frankly we would not want to turn anyone away, so if you have a last minute urge to attend, come on down! One way or another there will be a place for you.

Some notes..

✓ You do not have to be a dues paying member to attend. Family and friends are always welcome, most anyone with an interest in Tech football.

✓ We are looking for additional donations for the raffle and auction. If you have something available – basketball to beach house we would be grateful. All contributions will be recognized in the program and subsequent eNote to the local Alumni. Pls. contact Wes Dunaway 704-361-7077 for more information.

✓ There are well over 1000 Tech graduates in the greater Charlotte but less than half that number of email addresses. We are going to address the problem mid-year. In the meantime it would be helpful if you mentioned the upcoming Chan Gailey visit to your Tech friends.
